Lament

by: Ace Warbringer

I am the Mill, I am the Grind.

I am the Child, Left Behind.

* * *

><p>You are food, You are fate<p>

If the Mantle, You wish to take.

The Hammers blow of the Ring,

The sealing fate of Time,

I am but Eternity

Frozen in the rime,

* * *

><p>A fate placed upon my Corpse,<p>

Its purpose unknown to me,

I am but Hunger, Nothing more,

Miller Eternally.

* * *

><p>I hate what I have become,<p>

Tester of the path

Grinder of the galaxy,

Sifter of the Ash.

* * *

><p>A hope has sprung, Upon a find,<p>

A Guardian most clear,

Machine and Nerve

Blood and time,

My Destroyer, I hold dear.

* * *

><p>Should he survive my hunger,<p>

And my old Foe's wrath,

Only then shall He be Ready,

To Tread upon the Path.

* * *

><p>That is all I can Foresee<p>

Of the tests He will take on,

The path that stretches evermore,

He will march along.

* * *

><p>I pity He must Suffer.<p>

His fate has been Revealed,

If the tests must ring True.

To the Mantle,

His Will, Be Sealed.

End
file.
